Need Bedroom Furniture?

Some stores give a great deal of attention to the showing of parlor, library and dining-room furniture, and slight that of the bedroom. Not so here! Our stock of bedroom furniture is just as complete and varied as any of our other lines.

We have all the new styles in bedroom suites, a splendid variety of odd bedroom pieces and one of the handsomest stocks of metal bedsteads in the state. You'll sure find what's wanted here—prices just as low as good storekeeping will allow.

We have just received another large shipment of the new Wall Papers. Colorings and Patterns very attractive. Come and look over a large stock, where you can see the paper by the roll and get the effect upon the wall. Do not be satisfied with just a book sample.

with pride to the superior quality of our bread. It is a mistaken fallacy that it is economical to bake your own bread. There is no bread that is so economical in purchase nor so satisfactory in use as ours. Give it one trial and you will never bake again. Its unvarying quality and tastiness are sure to appeal to you.

Ralph Shepard, who has been visiting at the home of his mother on the Montpelier road for the past week, returned to-day to Worcester, Mass.

Mrs. Lionel Mathieson, who has been visiting at the home of her parents on West street for the past few weeks, returned to-day to her home at Lyndonville.

Chester Bennett of Central street left to-day for Rockland, Me., where he will visit for a few days with friends before proceeding to his former home at Vinal Haven for an extended visit.

There will be an Odd Ladies' dance Friday, April 3, in Knights of Columbus hall at 8:30. Harris' orchestra will furnish music; refreshments served. Gentlemen, 25c; ladies, 15c. Regular meeting at 7 sharp. Ladies, notice change of date.

At the annual convention of the Washington county camps of the Modern Woodmen of America held at Northfield this week, James Walker of this city and J. K. Pirie of Graniteville were selected to act as county delegates to the state convention next month at White River Junction, when there will be the big annual log rolling in conjunction with the meeting. At White River Junction delegates will be selected to represent the Vermont camps at the annual national convention at Toledo, O., in June.

About 15 young lady friends of Miss Elizabeth Paul, including mostly members of the Spaulding high school 1910 commercial class, gathered at the home of Mr. and Mrs. Charles Scott, Ayers street, last evening to tender a miscellaneous shower in honor of the approaching marriage of Miss Paul. The party was a complete surprise to Miss Paul, who was almost overcome by the entrance of her friends. Miss Paul was the recipient of many beautiful and useful gifts from her friends, which included silverware, china and linen, etc. The evening was spent in a very enjoyable manner. A luncheon was served during the evening.

In stating yesterday that there was to be a meeting of the L. A. A. O. H., Friday evening, April 3, The Times was in error, as there is to be no meeting on that date. The item was telephoned with the request that it be signed "Per order, recording secretary." To-day The Times was informed that the recording secretary had not telephoned the notice and had not requested it to be printed; that the L. A. A. O. H., meetings always are held on Wednesdays and that the person who telephoned the item was acting without authority. This is not the first time that confusion of dates in the meetings of this lodge has been caused by incorrect information, and the ladies who protested to-day said that every effort will be made to find out the person who is giving the wrong information.

In the vestry of the Presbyterian church last evening between the hours of 6:30 and 7 o'clock upwards of 200 people were served to a very delicious and appetizing supper by the ladies' aid society of the church. Memories that lingered since their last spring supper served to tempt the hungry ones and all roads led to the vestry. A variety of viands had been prepared to satisfy the most delicate eaters and together with several dainty dishes belonging to the vegetable kingdom and something to "finish off with" no one could have wished for a better menu. A number of young women assisted on the waiter list and they saw to it that everybody had a plenty. Besides the supper, the ladies had charge of a booth of assorted food stuffs. This, too, was well patronized and the ladies hope to clear a neat sum from the two efforts.
